Good Evening Steve

Thank you for taking the time to talk to me regarding the situation at the Ambassador Bridge.

I do have some follow-up questions if you are able to answer them.

- 1) Is there still any lanes blocked at the Ambassador Bridge or within city roads near the bridge?
If so, how many lanes and expected time delay?
- 2) Does Windsor expect this to cause further impacts within the next 24-48 hours?
- 3) Is it possible to receive updates from you regarding the situation within your convenance?

Thanks and have a good evening
